

**VOLUNTEER WATER TESTERS NEEDED
THIS SUMMER TO PROTECT THE
FUTURE OF WATER QUALITY IN
PAUGUS BAY**

Join us for the kick off of spring water testing on Paugus Bay. A meet and greet event will be held Monday May 2, 2011 at the Laconia Public Library from 6-7:45 PM

Robert Cray Craft UNH Cooperative extension water testing expert will educate and lecture and Pat Tarpey Lakes Winnepesaukee Water shed Association outreach coordinator will be on hand to sign up volunteers and unveil new additions to the new regional Water Web Site.

**Please call the Laconia Conservation
Commission to move to the front of the
volunteer line**
